EXTRACT MARKS

These are the marks for the data extraction part of the coursework.

This part has two components: the papers.csv file, and the data extraction, which depends on the correct headers being present, in the right columns.

Section/+ Component	Mark	Score		Possible
Marks				
+ partA: *Papers.csv*	**Good**	19	of	20
Good.				
+ partB: *Data extraction.*	**0**	0	of	80
Are required column headings present? No. 'rq answers' missing;				
No column headings.				
+ partC: *Additional comments.*	**0**	0	of	0
Marks net score:		19	of	100
Total net score:		19	of	100 = 19%
